PACKING LIST (CONT.)

LABELS
- All camper’s clothing and belongings MUST be clearly labeled with the camper’s full name. Items not labeled are unlikely to be returned to your camper if they become lost. Items like towels, shirts, and sleeping bags are the most commonly lost items at camp.
- Personalized labels by Oliver’s Labels will be available to purchase in your CampInTouch account under ‘Camp Packing Labels.’

WHAT NOT TO BRING
Cell phones, smartphones, smartwatches, iPads, handheld video games, and other electronic devices are NOT ALLOWED at camp. If brought, they will be confiscated and put into the camp safe until the end of camp. Camp is a place to make new friends, try new things, and gain independence, which can be pretty tough if campers are texting friends from home or trying to call parents.

PLEASE leave cell phones at home. We ask for the parent support of this policy as it is especially difficult to enforce policies without your support. Exceptions are made for campers flying in — their phones, IDs, and wallets will be collected upon arrival and kept safe until departure day.

To ensure the safety of our campers, we insist that the following items NOT be brought to camp:

- MP3 players/iPods/tablets/stereos
- Cellular phones/smartphones
- Wearable technology (i.e. smartwatch)
- Kindles/e-readers

AstroCamp, Camp Motorsport & Camp CHOP does not accept any responsibility for the loss, damage, or theft of such items. Any abuse of this policy will result in confiscation and storage of the items until the end of the session.
